**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a concerned customer/consumer concerning giant conglomerates dominating the ISP(Internet Service Provider), line of communication! This is very alarming and worrying that these huge behomeths can squeeze the smaller competators out of the market place.

My small service company i do business with is critical for my location and needs. Broadband competition is something that needs to stay in place at all costs.
